

2025 Numerology Report

Numerology Report for a Person

Year: 2025

D.O.B: 30-03-1971

Basic No: 3

Destiny: 6

Personality of the Person (Basic No. 3 – Jupiter Planet)

Personality of the person is governed by No. 3, i.e. Jupiter planet represents.

The person is knowledgeable, has wisdom, leadership qualities, morality and ethics, growth and expansion, optimism, tolerance and acceptance, visionary and disciplined.

These are inbuilt qualities of the person.

But in this person's grid there is double 3, which makes your Jupiter weak. You will have to struggle to bring your inbuilt qualities out. Only then will you be able to use these qualities in the true way.

There is also a need to balance your scattered energy.

Your Destiny No – 6

Which attracts you more towards luxury, sensual pleasure, comfort and beauty. There will always be conflict in your mind because both numbers are opposite. In every situation you have to move forward by maintaining balance.

Because of No. 3, even in challenging situations you are able to maintain balance and luck also supports you.

Now we will talk about how your Year 2025 will be

MD = 5

AD = 7 → 1st Jan 2025 to 30-03-2025

AD = 8 → 30-03-2025 to Feb 2026

Yearly Dasha:

Jan to March – 2 No

April to Dec – 5 No

Career / Growth

If in this year you work on any of your talents, then definitely there will be growth. Not only material growth, but you may feel growth in knowledge, wealth and fame. If you are in a job, then there are chances of promotion.

There will be concern regarding children, especially regarding the son. There are chances of foreign travel and also chances of change of place. You will also work towards increasing your knowledge. Interest in understanding scriptures will increase.

Caution Period

Your intellect will work, but you will have to pay a little attention because due to your own mistakes you may have to face loss. Mental stress may start from the end of year 2025 due to the behavior of family members.

Health & Lifestyle

You will also need to pay attention to your health. You will have to make changes in your lifestyle. Choose a healthy lifestyle.

Focus Area

During this period, keep in mind that your complete focus will remain only on family and relationships. Because of this, you may have to face profession-related problems.

Your worries and problems will automatically go away with time. Some new people and friends will join your life who will support your progress.

Do your work in an organized manner. Leave impatience.

April to December

MD = 5

AD = 8

Yearly Dasha – 5

This time will be good. You will spend time in enjoyment, enjoy family trips. There will also be a foreign trip. If you want to do any work in partnership, you can do it.

Communication & Intuition

It is necessary to pay attention to your communication because even a small careless statement can create problems. During this time you will put efforts into your profession and you will get success.

This year you will always remember that in many things you will have clarity and your intuition power will keep increasing. You will feel that things are happening in reality exactly as you sensed earlier.

If you have to take any important decision, rely on your instinct and inner guidance. (You need validation.) That is not wrong, but trusting yourself is also not wrong.

Spiritual & Money Matters

Your focus will be more towards spiritual practices. Your D.O.B has a combo (1-7-8) which gives multiple sources of income.

At the same time, combo of (5-5) says that you should pay attention to your money management. There can be money loss or fraud, or you may get trapped in some fraud. Because of the strong numbers in your grid, you are safe, but you get defense. Do money deals carefully.

Mercury Period

You have MD = 5 (Mercury) which will remain till year 2028. Your 6-7-5 combo plane will remain complete. You need to improve your communication skills, which will give benefit in your profession.

Hobbies & Lifestyle Advice

If you have interest in music and dance, then develop any one of them. Appreciate what you love or like. Use your luxuries mindfully.
